

Boston Convention & Exhibition Center

Exhibitor South Lot Parking Information

For our exhibitors' convenience, the MCCA offers special Exhibitor-Only Parking Passes. The parking pass is \$10 dollars per day and is calculated to include all move-in, event, and move-out dates. The pass will allow you to park a **regular-sized vehicle** in the South Parking Lot with **in-out privileges**.

To purchase a parking pass:

PRE-EVENT: Parking passes will be available for purchase on our **Online Ordering Site only** and may be purchased using a credit card. By purchasing the parking pass online, you receive a one-day discount.

You may pick up your pass at the South Parking Lot the first day you park. Please bring a copy of your order confirmation for service. The pass must be displayed in the vehicle's windshield at all times.

MOVE-IN DAY-

EVENT CLOSE: Once move-in begins, parking will be available onsite for a fee of \$10.00 per entry (no in/out privileges) at the entrance to the south lot using cash or credit card.

There is absolutely **NO OVERNIGHT PARKING PERMITTED IN THE SOUTH LOT.**

Regular-sized vehicles are defined as cars, vans, pick-ups, SUVs, and trucks 15 feet and under in length. All other vehicles are not eligible to use an exhibitor parking pass.

The Exhibitor Parking Pass is best suited for exhibitors that will be on-site during move-in, move-out, and show dates. We are unable to give refunds to exhibitors that don't use the parking pass on all days offered.
