WAIVER POLICY

Boston Convention and Exhibition Center

ARAMARK is proud to have served as the exclusive food and beverage provider for the Boston Convention Exhibition Center since the building opened. As the exclusive provider for the BCEC, ARAMARK strictly prohibits any and all food and beverage, candy, logo water etc., from being brought into the Boston Convention Exhibition Center without prior authorization.

In order to obtain authorization from ARAMARK to distribute any food and beverage item, one of the following conditions must exist:

1. The party interested in distributing food or beverage must be the manufacturer of said product. The interested party must only distribute SAMPLE sizes (2 oz of pre-packaged food items or 4 oz of non-alcoholic beverages) of his/her product. No cash sales of said product are allowed during the show.

OR

2. The party interested in distributing food or beverage they do not manufacture must pay a \$500.00 per day fee to ARAMARK in order for ARAMARK to waive its right to exclusivity under the Boston Exhibition Convention Center License Agreement.

If a party brings unauthorized food or beverage into the Boston Convention Exhibition Center and does not subsequently meet one of the conditions listed above, the party must immediately remove the unauthorized items from their exhibit or meeting space. If this is not possible, ARAMARK will pick up the product from the party's exhibit or meeting space and hold it in storage until after the close of the event. Per Massachusetts laws and regulations, alcohol is not allowed to be brought into nor removed from the convention center.

Any and all questions can be directed to Caitlin Flaherty, your ARAMARK Sales Manager for this show at (617) 954-2379.

Thank you for your cooperation with the above waiver policy and for observing all the rules and regulations of the Boston Convention Exhibition Center. ARAMARK looks forward to assisting in making your event a success.

**The administrative fee does not represent a tip, gratuity, or service charge for wait staff employees, service employees, or service bartenders.*
